

Sheet 1 - Midcase

side

shoulder + lug-top
chamfer 0.45: polish

flank + lug flanks:
linear brush

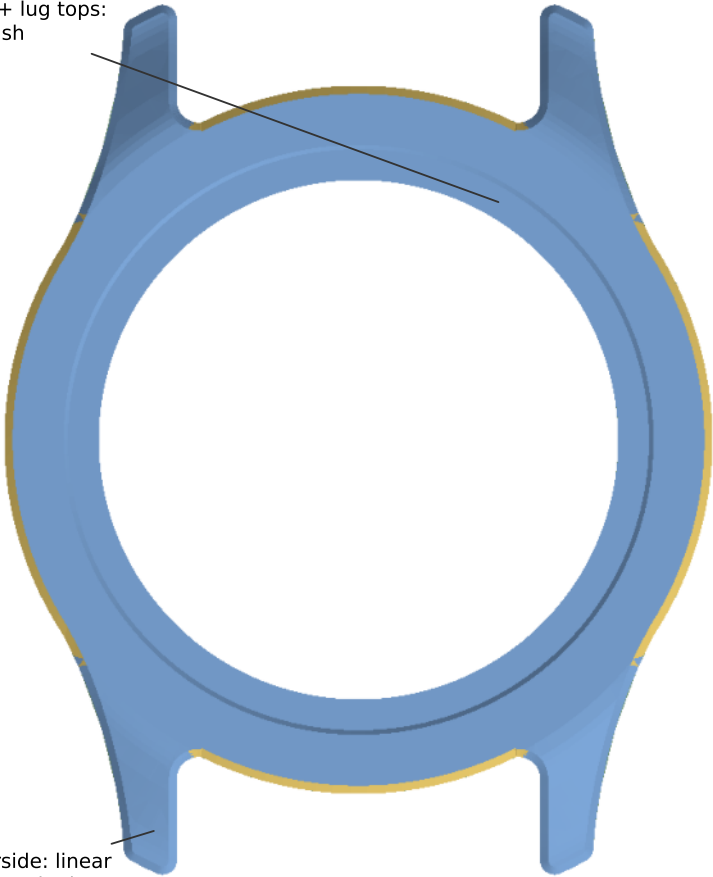

bottom-edge chamfer
0.30: polish

top

case top + lug tops:
radial brush

lug underside: linear
brush along the horn

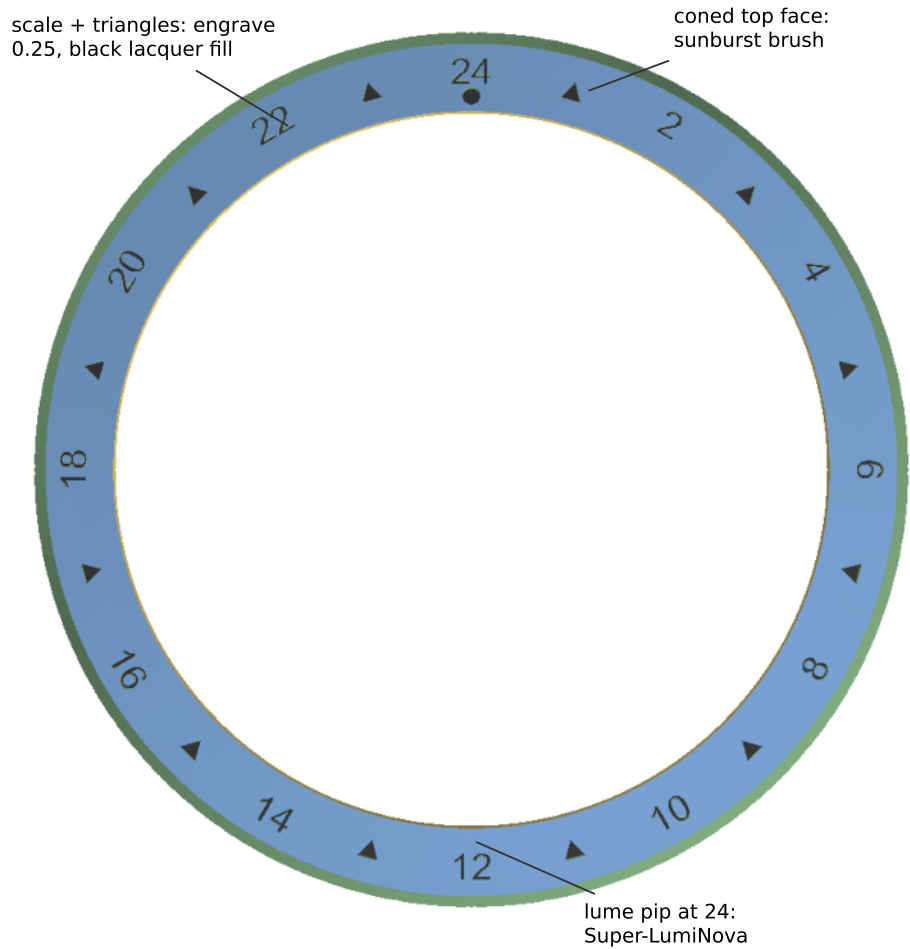

Lug-edge chamfers are not color-separable from the curved lug top in this rendering; per the callouts, every top-edge chamfer band (0.45) and the bottom-edge chamfer (0.30) is polished.

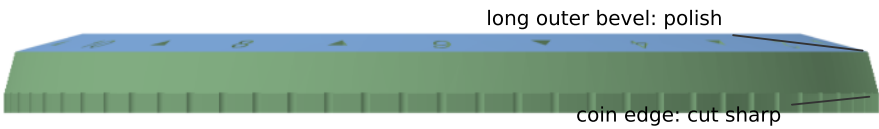

- radial / sunburst brush
- linear brush (follow flank / arc)
- polish

Sheet 2 - Bezel

top

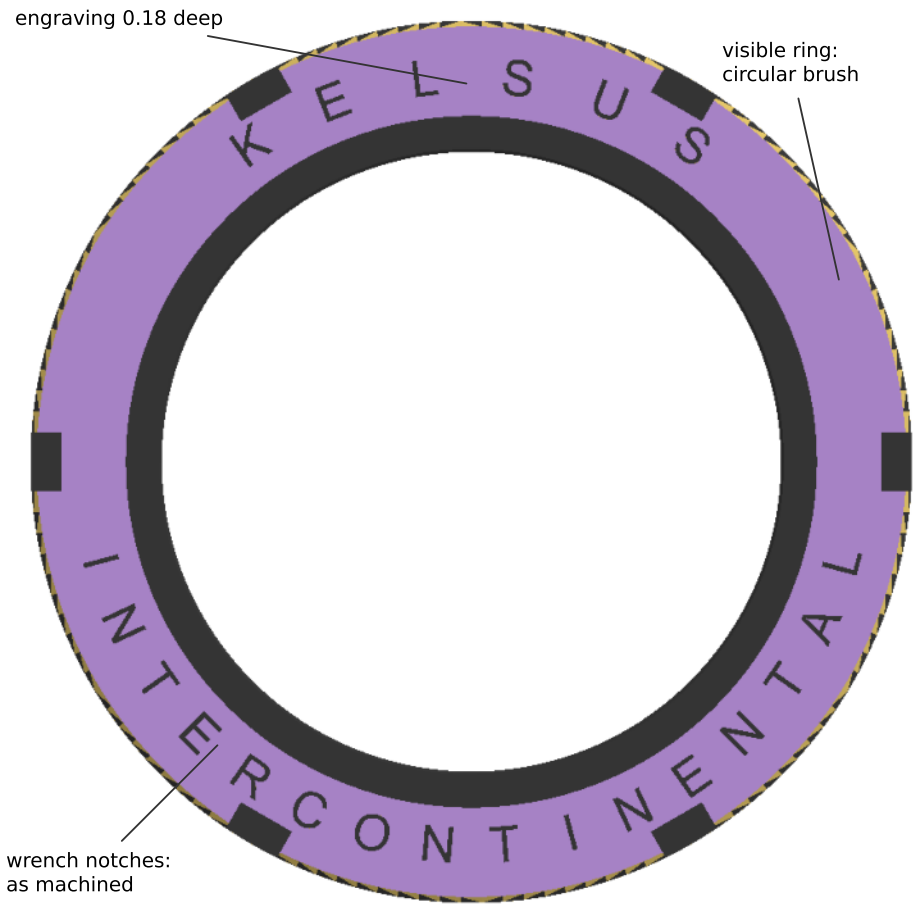

side

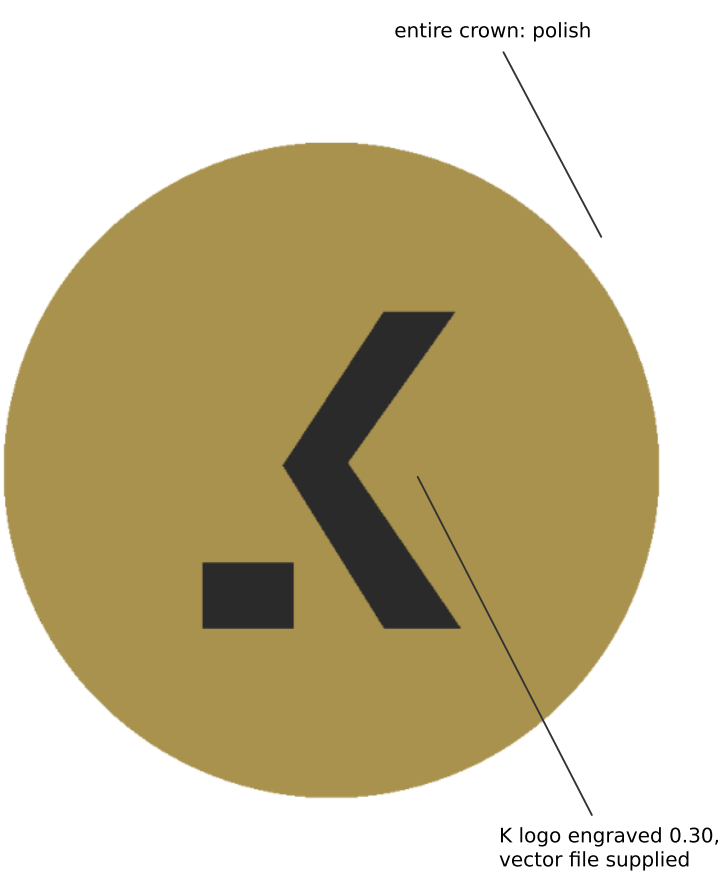

- radial / sunburst brush
- linear brush (follow flank / arc)
- polish
- engraved (black lacquer fill on bezel)

Sheet 3 - Caseback ring and crown

caseback, outside face (as worn view)

crown end face

■ circular brush ■ engraved (black lacquer fill on bezel)
■ polish
